

The Manor Club Fashion Show

On Tuesday, September 14, 2021, The Manor Club officially opened its doors for the Club season with its inaugural Fashion Show Luncheon! Tables and chairs were uplifted with linens, transforming The Manor Club into an extravagant space, filled with special touches.

It was an afternoon of couture as our models strutted the runway with the latest looks of the season provided by professional stylist, Denise of Macy's of Danbury! Our featured models were TMC Club Members, Jean Ostlund, Peggy Nicholson, Katherine Kenworthy, Cherie Sigward, Claire Nappi, Judy Glister, Elsa Gammon, Loretta Illustrato and TMC President Sheryl Hatwood. Non-member models were Lena Munn and Cherie Corso. Cherie also served as co-emcee along with entertainer, TV Personality, and Author, Delvon Johnson. The program concluded with a 50/50 raffle for our one winner and a beautiful gift basket courtesy of Macy's for another lucky winner.

With COVID regulations in place to keep everyone safe, The Manor Club is excited to welcome members and guests back in person after a purely virtual year! The community is welcome to join TMC and enjoy many of the events that are planned for the 2021/2022 season.
